Bargaining Update!

Today we met for a bargaining session focused on Pediatrics. We made progress on several items, but wages and differentials remain a key area of disagreement with Legacy.

To show that we are serious about winning a fair contract, we are holding a Labor Day Rally. The stronger our turnout, the stronger our message, so please bring your family, friends, and coworkers!

Date: Sunday, September 1

Time: 5–7 PM

Location: Good Samaritan Hospital (NW 22nd & NW Marshall, Portland)

Looking ahead, our next bargaining sessions are scheduled for September 4 and September 9.
