# October Bargaining Update

After months of waiting, we finally met with Legacy on Friday.

Meaningful progress was made on OB compensation, and Legacy presented a counter for Pediatrics, which our team is now reviewing in detail.

For LIMS, we continue to negotiate the rules around PEPTO, working to ensure fair and consistent application across the group.

Our next bargaining session is scheduled for November 10, where we'll present our counters and continue pushing to secure a fair contract.
